HOSPITALITY EDUCATION

South Park Institute of Hotel Management (SPIHM) established under VN Gangadhara Panicker Memorial Trust is a prestigious educational project initiated to add to the established businesses of one of the leading industrial groups, Mohandas Group of companies which has already made a mark in the business of hospitality, automobiles, pharmaceutics, and construction. VNGP trust, established in the year 2002 was set up to form centers of academic excellence that would accept qualitative practices with value-based education. With a vision for this, the prestigious Mohandas College of Engineering and Technology was established in the year 2002. Keeping pace with the global scenario and immense growth of tourism in India, the trust has forayed into hospitality education and started SPIHM.

South Park Institute of Hotel Management is approved by the All India Council for Technical Education (AICTE) and affiliated to APJ Abdul Kalam Technological University (KTU) and offers a 4-year Bachelor Degree in Hotel Management and Catering Technology (BHMCT). The College is set on a lush green serene campus at Anad, Nedumangad, Thiruvananthapuram. It promotes and builds a great ambiance for learning where students and faculty members share their ideas and implement them effectively. SPIHM commits to fostering and maintaining an environment conducive to student learning. The students are trained in various facets of the hospitality industry and are therefore equipped to be future leaders and managers of the industry. It imparts deep knowledge to the beneficiaries and thereby develops skills necessary to respond to challenges in the emerging world.

International Industrial Visit

There's nothing more valuable than the practical experience you gain in a particular subject and no amount of theory can match the same. We offer one of the most incredible hotel management courses in Kerala that includes an international industrial visit to luxurious hotel chains abroad.

International Placement

Who doesn't love to be part of a multinational hotel chain after completing their studies? That's exactly what we aim for our candidates at South Park Institute of Hotel Management. As one of the prestigious hotel management colleges in Kerala, we ensure that you get placed at leading brands across the globe using our corporate connections here and abroad.

Member ITC's hotel group

The Students are provided ample opportunity to practice their skills and learn from Industry doyens

20 week Internship

The most important benefit of joining our 4-year Degree program at SPIHM is the valuable experience students garner during their 20-week-long internship at major hotel chains in Mauritius. After completing this Internship module, candidates become proficient in every aspect of the hospitality industry and are confident enough to face any interviews that come across their way in the future.

BEYOND THE CURRICULUM

PURPLE BAY

Front Office club- The objective of the purple bay is to create a platform for discussing the experience of hoteliers, the real-life experience of professionals. Here simulation of ideas is garnered, role plays are carried out, and case analysis to handle situations is expedited.

GREEN EARTH

House Keeping club- As the name itself specifies the need for a healthy, sustainable environment. The students are groomed to practice a clean and healthy environment in their surroundings. The club activates the talents of students in flower arrangement, decoration, room upkeep, etc

PEN CLUB

Pen club or literary club or communication club brings out the literary talent of students in various languages. The club aims at preparing the students in improving their communication proficiency and make them skillful on par with global standards.

ZESTY CHEFS

The Culinary club Zesty Chefs encourages budding young chefs. It's a platform to discuss, discover and research innovative ideas of students and their talents in food production. The culinary club promotes the need to follow healthy and hygienic practices in food production.

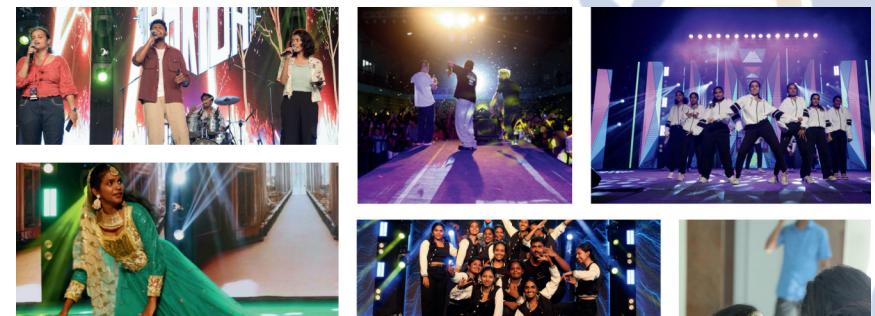

SIZZLING GRIDDLE

The Food & Beverage Service club- Sizzling Grid enables students in acquiring the traits required for a service professional. It enhances the student's interests in Juggling, Mocktail mixing, team discipline, etc.
